OPTION TO SHARE A BOOTH/LOT

Very small companies & non-profits have recently requested the option to share a booth with a similar or like-minded organization. This option will be available in 2027 (contact OPA for more details).

- Both exhibitors must complete their own application for space, all required forms and submit individual valid insurance certificates.
- One of the exhibitors must be responsible for making the payment and sharing of admission & parking passes.

IPM 2027 Exhibitor Registration will open in Spring 2027!
